Work Commencing Without a Permit: Where any work for which a permit is required is started without such a permit having been issued, the applicable fees shall be doubled. (This includes permits for Building, Electrical, Plumbing, Mechanical, Gas Etc.) The payment of such a double fee shall not relieve any persons from fully complying with the requirements if all applicable codes and City Ordinances including work already performed, concealed or otherwise not inspected, nor shall it relieve them from any other penalties as may be prescribed by law.

Expiration of Permits: All permits expire 6 months after the last required inspection that has been passed, or 6 months after the date of issue if no required inspections have been approved. The Building Official may issue a 6-month extension if any permit, (for due cause), if requested in writing by the permit holder prior to such a permit expiring.

Lead & Asbestos Abatement: State law requires proper licensure for contractors abating Lead or Asbestos containing materials in whole of in part, including the proper disposal thereof, and for proper precautions safeguarding employees and others from exposure.

This application is for principle building only. Any grease trap, signage, dumpster enclosure, fry grease enclosure or other accessory structure must be reviewed and permitted separately.
