COMMERCIAL FOUNDATION ONLY PERMIT APPLICATION

*All contractors are required to have a
Georgia contractor's license and a business license from a Georgia municipality!*

*Note: A separate permit is required for each and every building or structure on which work is to be done. If building contains more than (1) unit, list the addresses of all units in which work will be done.

Expiration of Permits: All permits expire 6 months after the last required inspection that has been passed, or 6 months after the date of issue if no required inspections have been approved. The Building Official may issue a 6-month extension if any permit, (for due cause), if requested in writing by the permit holder prior to such a permit expiring.

Please contact the Public Works Department at (770) 974-5233 to apply for a land disturbance permit. The Development Department cannot issue this permit until the LDAP has been approved.

**** The issuance of this permit does not guarantee the approval of an Acworth Business License to the business owner! Please submit a Business License application, and verify its approval, prior to obtaining any permits. ****

Electrical Utility Provider (If known): Acworth Power () GA. Power () Cobb EMC ()

Job Description (please be thorough): _____

TOTAL FEE:

\$ 300.00

Work Commencing Without a Permit: Where any work for which a permit is required is started without such a permit having been issued, the applicable fees shall be doubled. (This includes permits for Building, Electrical, Plumbing, Mechanical, Gas Etc.) The payment of such a double fee shall not relieve any persons from fully complying with the requirements if all applicable codes and City Ordinances including on work already performed, concealed or otherwise not inspected, nor shall it relieve them from any other penalties as may be prescribed by law.

Limitations: Unless otherwise specified herein, this permit approves foundation work up to and including the lowest finished slab. This includes relevant under slab mechanical, electrical and plumbing work only if permitted separately. No work above the lowest finished floor slab may be done without first obtaining a separate, full building permit.
