CONSTRUCTION TRAILER / SALES TRAILER PERMIT APPLICATION

All contractors are required to have a current business license from a Georgia municipality!

*Note: A separate permit is required for each and every trailer positioned on site.

- (1) Addressing will be verified or assigned by the City of Acworth
- (2) If trailer is to accommodate salespersons, customers or the general public then plans approved by the Cobb County Fire Marshal's Office and their "Cobb Co. Commercial Permit Application Form" must accompany this application.
- (3) If trailer is to accommodate salespersons, customers, or the general public, then ADA accessible parking, an accessible route and accessible ramp must be included in the plans submitted.
- (4) If trailer is to accommodate salespersons, customers or the general public, then plans approved by the Georgia Department of Community Affairs-Industrialized Buildings Section must accommodate this application. Also, such trailer must have been inspected and bear the label of the Georgia Department of Community Affairs.
- (5) Any trailer which does not bear the label of the Georgia Department of Community Affairs may not be accepted into the Acworth jurisdiction, or may be required additional permitting and/or inspections.
- (6) A site plan depicting the proposed construction / sales trailer and the distance to all property lines and neighboring buildings.
- (7) Separate permits will be required for all utilities.

Job Description: _____

BASE FEE/PERMIT COST \$ 52.50

Work Commencing Without a Permit: Where any work for which a permit is required is started without such a permit having been issued, the applicable fees shall be doubled. (This includes permits for Building, Electrical, Plumbing, Mechanical, Gas Etc.) The payment of such a double fee shall not relieve any persons from fully complying with the requirements if all applicable codes and City Ordinances including on work already performed, concealed or otherwise not inspected, nor shall it relieve them from any other penalties as may be prescribed by law.

Expiration of Permits: All permits expire 6 months after the last required inspection that has been passed, or 6 months after the date of issue if no required inspections have been approved. The Building Official may issue a 6 month extension if any permit, (for due cause), if requested in writing by the permit holder prior to such a permit expiring.

This Permit is Subject to the Following Terms & Conditions

I hereby certify that I have read and examined this document and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. Granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
