Zoning Ordinance Section 66.5 - Donation Bin Regulations:

- a) Must be owned and operated by a registered not-for-profit charity. Upon making application with the City of Acworth, the applicant shall provide documentation as such.
- b) Shall be permitted only as an accessory use to the principal use on an established lot of record. Bins shall be located to the side or rear of the primary structure only. No bin may be placed on a property where there is not a primary structure.
- c) It will not be in any residential district. When located in commercial business districts, there shall not be more than two (2) bins on properties less than one (1) and no more than four (4) bins on properties greater than one (1) acre. Designated recycling collection centers, as determined by the Administrator, shall be exempt from this regulation.
- d) The individual placing the bin shall disclose to the City the intended recipient of collected items and the percentage of funds collected or goods which will be paid for or given to a charitable organization.
- e) The individual placing the bin shall submit to the City written permission of the property owner or authorized representative consenting to the placement and maintenance of the donation bin.
- f) The individual placing the bin shall keep the area around the bin free of litter, remove any graffiti from the bin within 48 hours of discovery and shall maintain the bin painted or otherwise un-rusted and undented and in good repair.
- g) The location of the bin(s) should not reduce the minimum parking requirements or be placed within the landscaped areas of the hosting lot.
- h) The bin(s) shall not exceed a capacity of 512 cubic feet.
- i) The bin(s) must be cleared of contents at least once per week.
- j) All bins must be safely designed in a manner that prevents the tipping over and prevents children from entering the bin.
- k) Each bin must bear the name and contact telephone number of the owner as well as all charitable organizations which benefit from the collected materials.
- l) If a bin is placed on property without first obtaining proper permits from the City, the owner of the bin(s) shall be notified to bring the bin into compliance. If the bin(s) are not brought within compliance, the city may have the bin(s) removed at the bin owner's expense. The bin(s) shall be held for a period of no more than 30 days at which, if not claimed, shall be disposed of. The bin owner shall be responsible for all fees associated with the removal, storage and disposal of the violating bin(s) and/or materials surrounding the bin(s) left on-site.
