PLUMBING PERMIT APPLICATION

All contractors are required to have a Georgia contractor's license and business license from a Georgia municipality

***Note:** A separate permit is required for each and every building, structure or suite on which work is to be done. If building contains more than (1) dwelling unit, list the addresses of all units in which work will be done.

**The issuance of this permit does not guarantee the approval of a Business License to the business owner
For new businesses, please submit a Business License Application, and verify its approval, before obtaining any permits.**

CONTACT THE BUILDING DEPARTMENT FOR GREASE TRAP INSPECTIONS, PRIOR WORK TO WORK COMMENCING

Re-inspection Fees: \$75.00 for each Occurrence

Work Commencing Without a Permit: Where any work for which a permit is required is started without such a permit having been issued, the applicable fees shall be doubled. (This includes permits for Building, Electrical, Plumbing, Mechanical, Gas Etc.) The payment of such a double fee shall not prevent any people from fully complying with the requirements if all applicable codes and City Ordinances include work already performed, concealed or otherwise not inspected, nor shall it relieve them from any other penalties as may be prescribed by law.

Expiration of Permits: All permits expire 6 months after the last required inspection that has been passed, or 6 months after the date of issue if no required inspections have been approved. The Building Official may issue a 6-month extension if there is any permit, (for due cause), if requested in writing by the permit holder prior to such a permit expiring.

Lead & Asbestos Abatement: State law requires proper licensure for contractors abating Lead or Asbestos containing materials in whole or in part, including the proper disposal thereof, and the proper precautions safeguarding personnel from exposure.

This Permit is Subject to the Following Terms & Conditions

I hereby certify that I have read and examined this document and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. Granting a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
